

# CAMBODIAN HARVEST – JANUARY 2024

## Business as Mission to Spread the Good News

New Year Greetings to everyone. We are well and praising God for all His blessings.

Last year was a very prolonged wet season, which damaged many fruit trees and delayed the planting of vegetables. When the rains finally stopped, everyone worked hard to raise seedlings and plant the new season's crop. We are so excited to see what God is doing in our churches.

Many new people believed in Jesus the son of God, through our CH team. They found new hope as mentioned in *Jeremiah 29:11* "For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future."

On December 23, 2023, Church at Dornng Antak village and CH Team celebrated Christmas together. It was a wonderful day, we ate lunch together with pork curry and bread. Through donations from Australia we gave gifts for children from grade 1 to 5. We celebrated this precious event at the local school ground.

From **this** all through the wet season to **this** beautiful cement driveway!

In December 2023 a good quality cement road was put down from the front gate to the factory. We are so very joyful every time we commute in and out the property. Sincere thanks to all the donors who, with a great heart from God our Father, made this possible.

New year with the lead from the God through our sharing God's love, faith and hope, 4 people in the village are opened their heart to accept God and promise to live their life according to Him, last Sunday. For all that has happened through our church, we thank you all our donors and especially thank Father God who binds us together from everywhere with his pure love for us who have faith and hope in Him, with his great blessings in the way he created and put us on this Earth. We thank you all for your prayers to our God for Som, (Neng and Leang's son) passed his grade 12 in November 2023 and he has to go to university in January 2024. He also passed his driver's examination and received a driver's license. Alleluia!

Our financial situation is still an issue for our staff and church members to keep sharing our God's love to villagers (both believers and non-believers) in spreading the God's kingdom in Kampong Thom and Kampot provinces. Your prayers are very crucial to support 23 people including ten children on CH property where is our base church.
